“Dalí, Breaking News” exhibition in Brussels.

The Girona Provincial Council, the Costa Brava Girona Tourist Board and the EFE Agency visit the European Union’s headquarters with a high-profile travelling Dalí exhibition.

Brussel’s Espai Catalunya Europe will host the “Dalí, Breaking News” exhibition, a showcase of some of the most high-profile works of the Empordà-born artist, through 20 February 2016.

The exhibition opened on the eve of La Diada, the National Day of Catalonia. Over 150 people attended the event, including diplomats, representatives of European institutions and regions, journalists and Catalan citizens living in Brussels.

The Costa Brava Girona Tourist Board plans to carry out an additional promotional event in Brussels on 1 December to bring together tourism businesses from both regions.
